

## Digital Brand Protection Analyst (Part-time)

We are looking for a talented student to strengthen our "Monitoring and Take Down Team" in downtown Copenhagen. We are an international consulting company helping large international brands in all areas of Online Brand Protection. We offer a very dynamic, challenging, and international work environment with a strong focus on delivering excellent, tailor-made services to our clients.

You are preferably a bachelor student or have just started a master and are ready to take on a role as a part-time analyst (15-20 hours / week). You value client satisfaction, you are results-focused and you are a team player.

### Primary Tasks and Responsibilities:

1. Analyze brand monitoring results (identify cases that infringe the intellectual property rights of our clients)
2. Submit take-down notifications and cease and desist letters
3. Write reports about the current landscape of infringement i.e. patterns, noteworthy cases

### Required Qualifications:

- Proficient in English
- Excellent writing skills
- Fast learner, curious-minded
- Student in relevant field (i.e. law, communication, languages)

### Plus

- Additional languages (especially **Chinese, Hebrew, Arabic and Russian**)
- Familiarity with the work environment: Intellectual Property Law, Data Protection Law, Internet Governance, Pharmaceutical industry, Fashion industry, E-commerce and Social media.

### Benefits

DKK 150 / hour – flexible hours– highly relevant field – lunch and snacks – downtown office

Please send your CV, cover letter and any questions to [jobs@thomsentrampedach.com](mailto:jobs@thomsentrampedach.com) or call Andreas 26807960 or Niklas 26807931 by, latest, March 20th – Interviews are starting now and application process ends as soon as a suited candidate has signed – don't hesitate.

#### Thomsen Trampedach

Founded in 2007, Thomsen Trampedach is a Swiss-based Online Brand Protection service provider with offices in Copenhagen and Zurich.

In close cooperation with our large brand clients and law firm partners, we manage domain name portfolios, launch new gTLDs, monitor and take down infringing content across Websites, Marketplaces, Social Media, and Domain Names and give advice on new trends and threats.

We are your One Stop Online Brand Protection provider.

We love a challenge
